MIKE'S MESSAGE

The view from the Chairman

Hello all and welcome today's game in the LockStock Ardal North West. It's fair to say that since the season started we've seen the ups and downs football always offers, with some great wins along results that you can only learn and come back stronger from.

Today will be a great chance to bounce back from the disappointing night we had at Mold midweek, and start afresh against our visitors from CPD Y Felinheli who we warmly welcome to the ground this afternoon.

For me, one of the biggest positives of the season so far is the new Cymru Football app, which is a real gamechanger for this level. Now with all our scores, in real time, available in one app, we're again making progress towards a more modern and professional pyramid, long may it continue.

Welcome also to our officials this afternoon, referee Martin Tigg, and assistants Stephen MacMillan and Peter Brown.

THE GAFFERS

First team managers Anthony Weaver & Jordan Parry on the season's opening stage

We've faced a number of challenges, all unique in their own way over the past few weeks, which is exactly the type of thing the lads will have to adapt to as we look to make a name for ourselves in the LockStock Ardal North West.

Our campaign got off to a brilliant start when we beat Brickfield 2-1 with the last kick of the game in the 95th minute – no manager wants to go through that type of game, but it's fantastic when it pays off and was an opportunity to set the tone from there on.

Against St Asaph, we did well for large periods of the game and the point we came away with was well deserved. In the midweek, the result against Mold was something no one wanted to happen, but in these moments of defeat there's opportunity to bounce back, and that's what we're pushing for this afternoon.

It's a long season and we know of the quality we have here at Rhydymwyn, and we can't wait to get back out there this afternoon.

MATCH REPORT

Rhyd exit FAW Amateur Trophy with loss to Queens Park

Rhydymwyn FC lost out by one goal to nil against FC Queens Park in the FAW Amateur Trophy earlier this month.

In what was a tight game, a second half Barry Torrence goal sent the visitors into the third round draw at the expense of Anthony Weaver and Jord Parry's side.

The game started with neither side giving much away in the early stages, which saw Queens Park's first set pieces, a free kick and resulting corner, punched away by keeper Callum Manley.

In the 25th, Rhydymwyn made a good attacking play seeing Rob Jones get down the right wing and square to Sam Haley, who had his shot pushed past the left post by keeper Joseph Jones.

Queens Park were meanwhile making regular runs into the Rhyd half, but good defensive organisation paid dividends with the likes of Ryan Edwards and Harry Massey able to hold them off.

Shortly before the break in the 41st, Rhydymwyn hit the woodwork twice in under a minute, with Nathan Mendoza lobbing the keeper only to see his effort go on the crossbar and bounce back out, and Sam Haley seeing a shot also hit the crossbar just 30 seconds later.

The second half saw the game remain tight as Queens Park looked to hold onto the possession in the midfield with Rhyd pressing for more time on the ball.

There was little between them until the 67th minute, when the experienced Barry Torrence sent the ball over GK Manley and in from around 23 yards out to give his side the lead.

Rhyd battled to stay in the game, taking control of the ball regularly as the game's latter stage began, but were unable to find the net on the day.

THE OPPOSITION

A look at CPD Y Felinheli

Although the current club was only formed in 1977, there have been many teams in the village in the past. There is evidence of a team in the village in the 1890s and various teams during the 1920s and 30s.

There's a record of Port Dinorwic winning the Caernarfon & District League Alves Cup in 1945/46. All of the above teams played their home games on a field within the Faenol Estate.

Before the current club there was a team in the 1960's that played in the Caernarfon & District League for two seasons, this club played on the same ground that the current club plays on.

The current club was formed on the 3rd of July 1977 as Portdinorwic Football Club and entered the Caernarfon And District League. A year later the name was changed to Clwb Pel Droed Y Felinheli (which is the name that is currently used).

THE OPPOSITION

A look at CPD Y Felinheli

The club won the Caernarfon And District League in 1981/82 and 1982/83, and in 1983/84 they entered the newly formed Gwynedd League, of which they were the inaugural champions and got promoted to the Welsh Alliance League (The North Wales Coast League).

In 1987/88 the club won their highest honors the North Wales Coast Challenge Cup, the club were finalist in the same competition in 1988/89 and 1989/90.

In 2013/14 the club achieved the coveted League, Junior Cup and Llun Mewn Ffram treble achieving a promotion back to the Gwynedd League.

After a short two season spell in the Gwynedd League the club gained promotion back into the FAW's directly affiliated league system after winning the Gwynedd League and Cup double in 2014/15.

Thank you I Diolch to our league sponsor, [LockStock](#), and official ball suppliers [Macron](#).
